Interfaith Fundraising Partnership Program

Canaan Palestine offers Interfaith Fundraising Partnership to groups (and sometimes individuals) in faith communities or advocacy organizations. Partners purchase Canaan's award-winning olive oils and artisan foods and sell them for fundraising. They receive a discount on product prices and support through our Interfaith Partnership Program. They direct their fundraising profits toward projects they choose while helping bring success and hope to Canaan's producers in Holy Land - more than 2000 farming families in 58 village-based cooperatives.

Registering and Ordering

It is easy to sign-up. Just contact Ann, our Outreach Coordinator, at 360-907-4729 or email Outreach@CanaanPalestine.com. You will receive a discount code that will activate your partnership discount when you order online.

As a partner you will:

- receive a percent fundraising discount on the price of Canaan products;
- provide gourmet, organic, fair trade Palestinian products to your group's fundraising effort: premium extra-virgin olive oil and traditional foods;
- help empower marginalized Palestinian rural communities that are often isolated by conflict, sustaining their economic viability and culture;
- make a tangible difference for peace-building by sharing stories about farming families;
- have access to Canaan's pictures and stories, videos and other materials;
- receive ideas, resources and support from Canaan's Outreach Coordinator.

Partnership helps Palestinian farmers and women's cooperatives:

- earn a living with pride and dignity;
- invest in their farms, using organic and sustainable agricultural practices;

- develop leadership skills and assist each other through their cooperatives;
- live with increasing hope based on Canaan-supported scholarships, young trees, and micro-loans;
- connect with US friends through their products, their stories, and our visits!

National Partners

As an Interfaith Fundraising Partner, you may take advantage of another benefit. You may select one of Canaan's designated National Partners to receive an annual donation from us. The gift honors your partnership and is based on your purchases. Our National Partners are:

- Friends of Sabeel - North America
- Interfaith Peace-Builders
- Episcopal Peace Fellowship
- American Friends of the Episcopal Diocese of Jerusalem
