

September 1, 2011
For Immediate Release

Canaan Fair Trade is pleased to announce the fourth generation of Canaan Scholarship recipients. The Canaan Scholarship Award Committee has released the award recipients of the fourth Annual Canaan Scholarship Award.

Ten students from the 2011 class of Palestinian high school graduates have received this award. Recipients are students whose parents are members of the Palestine Fair Trade Association (PFTA). The Canaan Scholarship award aims at creating young and future leaders in the community and factor potential for leadership in the selection process.

The Canaan Scholarship Award covers the full cost of tuition through graduation within four years. Award recipient will be required to spend the summer holidays as interns serving in PFTA development programs where they will gain first-hand experience in social and economic development.

The Canaan Scholarship Committee is confident in this year's recipients promising academic performance and commitment to serve their communities. The list of award recipients along with the name of institution they will attend and their intended course of study:
